

INTERNSHIP AND TRAINING OFFER LETTER

Date : 21 August 2026

Dear PASUNOOTI SANNITH

Congratulations!

We are pleased to inform you that you have been selected through the placement drive conducted by 10000 Coders. Your performance, skills, and potential during the selection process have impressed us, and we are excited to welcome you to our learning and professional ecosystem.

Based on your performance, you are hereby offered an Internship under our Training & Placement Program at 10000 Coders.

Program Overview

During the training period, you will receive structured technical training, mentorship, and project support from our technical team. Upon successful completion of the program and fulfillment of all performance requirements, you will be considered for placement opportunities with our partnered organizations. Roles may include Software Developer, Full Stack Developer, or other relevant positions based on your performance and organizational requirements.

Placement opportunities with a starting package of **3 LPA**, with higher packages based on company norms.

Terms and Conditions:

1. Mandatory Offline Attendance

Students must attend all offline training sessions regularly from the onboarding date onwards without fail.

2. Company Drives Participation

Students must attend all scheduled offline interviews, assessments, and drives conducted at 10000 Coders.

3. Level Progress Requirement

Students must progress to **Level-3** during the training program to qualify for placement opportunities.

4. Assignments & Projects

All assignments, real-time projects, and evaluations must be completed within the stipulated timelines.

5. Discipline & Professional Conduct :

Punctuality, discipline, and professional behavior are mandatory throughout the Internship & Placement Program

6. Failure to Attend = Immediate Cancellation

If a student fails to attend the onboarding on 17 August 2026, the Internship & Placement support will be cancelled immediately and will not be reconsidered

10000 Coders, a prominent industry-focused training organization, is committed to bridging the gap between academic education and real-time IT industry requirements. Through structured, practical, and outcome-driven training programs, we empower students with the technical expertise and professional skills necessary to build successful careers in the software industry

At 10000 Coders, our mission extends beyond training — we strive to nurture talent, develop problem-solving capabilities, and prepare individuals to meet global industry standards with confidence and competence

We are pleased to extend this Internship and Training opportunity to you and welcome you into our professional learning ecosystem

***Candidate Acceptance**

I, _____, hereby accept the Internship Offer and agree to abide by the terms and conditions mentioned above.
